

A-01 SAADIYAT

BY ALDAR

An aerial architectural rendering of a modern residential development. The scene features several high-rise apartment buildings with balconies, a large circular structure with a textured, metallic-looking dome, and a central courtyard with a circular pool and paved walkways. The surrounding area includes roads with cars, palm trees, and other urban infrastructure.

SAADIYAT ISLAND LIVING

Beyond the rich, tangled mangroves and spotless white sand of the coastline, the island's beauty runs deeper still. Because at its heart waits the Capital's inspiring Cultural District; home to Zayed National Museum, Guggenheim Abu Dhabi, Louvre Abu Dhabi and Saadiyat Grave. A lifestyle destination that is redefining the UAE's role in global culture.
